## Winners

For those of you who missed the July meeting, the newly elected officers were sworn in by our new District Deputy John Szerletich. The past District Deputy Joe Williams presented our council with another award: **Illinois Spirit Award - Gold**. The Spirit of Illinois award is designed as a tool for councils to "be all that they can be". Each council is encouraged to have a most successful and enjoyable fraternal year. Also confirmed in the August edition of Knightline, our council was 1 of only 2,178 that have been awarded the **Star Council Award** by Supreme. Congratulations go out to everyone in our council.

Also at the July meeting a 50/50 was held of which Deacon Keen was the winner. We also held a **Meeting Attendance Drawing**. The name drawn was Brother Troy Mathews - as Brother Troy was not present, the \$10 is added onto to next month making the Meeting Attendance Drawing \$20.

## Vacation Raffle Tickets

Vocation Raffle Tickets support Seminararians and are a great fundraiser for our Council. Vocation Raffle Tickets were passed out to all members who were at attendance at the July meeting. Members who are not present in the August meeting will be mailed tickets. Please try to attend the August meeting and save the Council postage. The Council Member who sells the most Vocation Raffle Tickets will be awarded a free year Membership for Fiscal Year 2017. Member Information Verification sheets for updating Council records will also be forwarded with Raffle Tickets. We ask members to update their information and mail back to Financial Secretary Patrick Kelleher, 212 Sawgrass Dr., Apt. 8, Chatham, IL 62629.

## Only Having Insurance "Through Work" Doesn't Work

Too often people rely on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. But this can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark and the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could find yourself without coverage, and if your health has changed, which it will as you age, you might also find yourself unable to secure individual protection or it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. For a no-cost needs analysis, contact Mike Muto for more information at 217-801-8688.
