## Grand Knight's Corner

Where has the time gone? It is hard to believe that the last newsletter went out in December. Now is the time to make the final push to the end of the Fraternal Year. Though we have been extremely successful this year, I ask you to remain involved, not only the next couple of events but at the upcoming meetings. I try to keep the meetings as brief as possible, usually under an hour. And they are designed to keep you informed as to what is happening with the council and around the parish. If you have not attended a meeting recently, I urge you to attend the next meeting on Thursday, May 25 at 7 p.m., as we will be electing officers for the 2017-2018 Fraternal Year. After the meetings, there usually is a chance to get to know fellow members.

Another good way to finish out the year is to recruit one new member. Usually all it takes is for you to ask. I have personally asked a few men if they had thought about becoming a Knight and some have said yes and joined. You just might be surprised that they have been waiting for you to ask them.

Finally, you can complete the fraternal year by sitting down with our insurance agent. You can purchase life insurance, review your current coverage and/or make the initial investment on an annuity.

Don't let time slip away from you. As you will remember from the first degree, Tempus Fugit, Memento Mori (Time Flies, Remember Death.)

## Insurance

Long Term Care is an Important Piece of the Puzzle

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.

Please contact Brother Mike Muto @ 217-801-8688 for more information on Knights of Columbus Insurance and Investment opportunities available to you.
